Refund policy: If COVID-19 or an unexpected national disaster occurs in the USA requiring all visitors to leave, with travel restrictions and mandatory quarantine for 2 weeks, students can choose to travel to the USA at the next summer or MCI will provide on-line programming if students choose to stay in Taiwan, assuring graduation requirements are met from both ways. And there will be no refund. Grade 11 students can choose on-line programming or are allowed to defer the 4- week summer program in the USA to Grade 12 as exception. MCI will assist students with providing recommendation letters and proof that students are graduated from MCI and will apply for USA universities. Students are required to complete the 4-week summer program in the USA during the period from Grade 9 to Grade 11 and are not allowed to defer the program to Grade 12 should there is no COVID-19.
